Subject: PFAS letter Sen Shaheen and Hassan
Attachments: SenatorPFAS letter 7.26 3 edits .docx

Good morning,

OCIR is preparing materials for Acting Administrator Wheeler's hearing and asked the region to make some edits to a response letter to Senator's Hassan and Shaheen. The edits requested by OCIR are attached in the word doc, noted in track changes. They would like the updated letter from us before 1 pm today. I wanted to run this by you all as I know you worked on the initial response from the region. Please let me know if you have any concerns with the edits before I send a clean copy back to OCIR.

Thank you,
Kelsey
